

Flu Shot Clinic

In partnership with Homeland Health Specialists, Bell Plaza will host a flu shot clinic for all tenants this fall.

Scheduled for **Tuesday, October 12, from 1:00 p.m. to 3:30 p.m.**, the vaccination clinic will be held in the first floor conference room.

No appointment is needed, but please bring your insurance card with you - and let the nurse know if you don't have health insurance.

Help Feed the Hungry

In anticipation of the upcoming holiday season, Bell Plaza will host a food drive Monday through Friday, November 15-19.

A donation box will be available in the first floor lobby of Bell Plaza and all of the food will be donated to VEAP, a Bloomington-based nonprofit that distributed 4.3 million pounds of food throughout the community last year.

WHAT DOES VEAP NEED MOST?

VEAP clients are looking for healthy pantry staples and low-sodium, low-sugar canned goods to feed their families. VEAP also accepts donations of baby products and personal care items.

Bell Plaza Tenant Ice Cream Social

As summer winds down and employees return to the office, Bell Plaza will host an Ice Cream Social tenant appreciation event. The Ice Cream Social will be held in the atrium lobby to showcase the freshly remodeled common areas, featuring new lounge seating and "third" workspace areas. Please join us!

Bell Bank is Now Open with Full-Service Banking at Bell Plaza

We hope you'll stop by and visit us in our new branch on the main floor. Join us any time during our Grand Opening Week (September 27-October 1) and sign up for prizes. We're also hosting a community celebration and Chamber ribbon cutting on September 29th at 2 p.m.

To learn more about our family- and employee-owned bank, please visit www.bell.bank.

Welcoming New Tenants to Bell Plaza

The following companies have recently joined the tenant roster at Bell Plaza. Please join in welcoming them to our thriving community.

Electronic Recycling Event

Bell Plaza will be hosting a **FREE** e-recycling event on Monday, October 4th. This is a great opportunity for tenants to dispose of small electronic items that have been accumulating in your office.

Dismantling end-of-life electronics, such as computers, and recycling the various materials in them promotes the conservation of undamaged natural resources. It also helps in the prevention of water and air pollution that is brought about by hazardous disposal. In addition, e-recycling helps reduce the amount of greenhouse gas emissions produced as a result of the manufacture of new electronics.

HOW TO PARTICIPATE:

Tenants will sign up for a time slot to drop off electronics at the loading dock between 1:00 p.m. and 3:00 p.m on October 4th. A truck from Recycle Technologies will be parked in the loading dock to accept your e-waste. Please contact Sunny Bang (sbang@bellplazamn.com) in the management office for more information.

Enjoy complimentary valet service accompanied by our VIP pricing!

\$29.95* Standard 5 quart Oil Change

\$59.95* Synthetic 5 quart Oil Change
